Re No. 235/HB./40

Station Madras., Dated the 3rd April, 1940

From (Name) F.Sayers, Esquire, C.I.E.,

(Designation) Inspector-General of Police.

To The Secretary to the Government of Madras,

HOME Department.

Sir,

I have the honour to submit herewith for the approval of the Government a plan and an estimate amounting to Rs 250/- for the provision of glazed shutters to the verandah of the quarters of the Sub Inspector of Police at Brahmavar in the South Kanara District.

2. The report accompanying the estimate explains the necessity for the proposed improvement which is absolutely essential to afford the occupants reasonable comfort. Similar improvement was approved in the case of the Sub Inspector's quarters at Mulki - vide G.O.No.Ms.2643 P.W.D. dated 20th December 1937.

3. The work, if approved, will be carried out by the Public Works Department and the cost met from their grant for police minor works in the Civil Works Estimate for 1940-41.

I have the honour to be,
Sir,
Your most obedient servant,

K Nair

for Inspr-Genl.of Police.

Submitted

The plan submitted - with flag (W) - does not show the full accommodation available in the residence. The report accompanying the estimate on pp 3-4 CF states that the work is proposed because the verandah in front of the quarters cannot be used during the monsoon and in the fair weather as it is too much exposed. The residence has been without the proposed amenity since 1915 and the occupants have so far got on without it. Hence the improvements do not appear to be so very urgent as to satisfy the criterion of "imperative and immediate necessity" which has been laid down for taking up works at present.

A

The quarters are occupied rent free and hence the proposed expenditure will be wholly unremunerative

P.T.O.

In the circumstances it is for consideration whether the work will be approved. The remarks of Finance may be invited

HOME DEPARTMENT.

I would like to press for the carrying out of this work which does not involve any considerable expenditure. The monsoon in the North of S.Kanara, where Brahmavar is, is very heavy indeed and throughout

the monsoon open verandahs - in the case of Sub-Inspector's quarters the verandah is sure to be very narrow - are quite uninhabitable, ~~in view of the~~ and in fact ~~that~~ even the front doors and windows have to be permanently kept shut unless there is some protection of a permanent nature to the vernadah. The fact that the occupants have had a miserable time for a good few years does not make the plea for protection any the less cogent now, when some more careful superior officer has brought it to notice.

2. My remarks here are of a general nature and may be applied to the case of Coondapur S.I. which I am sending on today.
